

TALK IT OVER

READ & DISCUSS

1. How has the coronavirus helped you rethink the author of Hebrews exhortation to “. . . be content with what you have. . .” and what are you doing that most helps in the area of contentment?
2. Review Hebrews 13:8 and the related verses mentioned in Hebrews. Jesus is the same yesterday—Hebrews 5:7; today—Hebrews 4:15–16; forever—Hebrews 7:23–25.
3. Four applications were mentioned in the sermon. 1) God has the money situation so we can be content. 2) God will not leave you so fight against your fear. 3) God has carried others through hard times so know He will carry us as well. 4) God has spoken through His Word and we should drink it in so our heart will be strengthened by grace. Which of these were most helpful to you? Why?

SING & PRAY

Sing “Leaning on the Everlasting Arms” with your family this week.

1. Pray for your faith family and for our national, state, and local leaders as we face this crisis as a community and nation.
2. Pray for medical personnel and first responders who are on the front lines as far as COVID—19 goes.

MEMORY VERSE FOR MARCH 29

Therefore, my beloved, as you have always obeyed, so now, not only as in my presence but much more in my absence, work out your own salvation with fear and trembling, for it is God who works in you, both to will and to work for his good pleasure.
