He was in the beginning with God.

In the beginning was the Word, and the Word was with God, and the Word was God.

In him was life,[a] and the life was the light of men.

All things were made through him, and without him was not any thing made that was made.

There was a man sent from God, whose name was John.

The light shines in the darkness, and the darkness has not overcome it.

He was not the light, but came to bear witness about the light.

He came as a witness, to bear witness about the light, that all might believe through him.

The true light, which gives light to everyone, was coming into the world.
